Addendum No. 2

The following information shall modify the contract documents, and the work shall be accomplished in accordance with such stated modifications. It is suggested that this addendum be stapled to the back of the front cover of the project manual.

General

The following item has been discussed with Roanoke Gas Company:

1. Roanoke County has been informed that Roanoke Gas Company plans on installing either a 2" or 4" gas main during the construction of this project under the proposed sidewalk utilizing directional bores. Coordination with Roanoke Gas Company by the successful bidder will be required as a part of the project; however, bidders should not anticipate any work delays due to Roanoke Gas Company's activities. Roanoke Gas Company will schedule its work to avoid any impacts to the successful bidder. Any coordination cost with Roanoke Gas Company will be included in the price bid of other items.
