SECTION 7. EVALUATION CRITERIA.

Offerors will be evaluated for selection on the basis of those most qualified to meet the requirements of this RFP. - A. The background, education and experience of the Offeror in providing similar services or items elsewhere, including the level of experience in working with municipalities and the quality of services performed or items supplied.
- B. The Offeror's responsiveness and compliance with the RFP requirements and conditions.
- C. Determination that the selected Offeror has no contractual relationships which would result in a conflict of interest with the County's contract.
- D. The Offeror's ability, capacity and skill to fully and satisfactorily provide the services and/or items required in this RFP.
- E. The quality of Offeror's performance in comparable and/or similar projects.
- F. Whether the Offeror can provide the services and/or deliver the items in a prompt and timely fashion.
- G. Offeror's willingness to accept the County's sample contract (Attachment A).

SECTION 8. SELECTION PROCESS.

- A. Pursuant to Section 2.2-4302.2 (A)(4) of the Code of Virginia, selection of the Offeror will be as follows:
 1. Repetitive informal interviews shall be permissible. Such Offerors shall be encouraged to elaborate on their qualifications and performance data or staff expertise pertinent to the proposed projects as well as alternative concepts. These discussions may encompass nonbinding estimates of total project costs including, where appropriate, design, construction, life cycle cost, nonbinding estimates of price for services, and other matters. Methods to be utilized in arriving at a price for services may also be discussed. Properly designated proprietary information from competing Offerors shall not be disclosed to the public or competitors, except as may be required by law.
 2. At the conclusion of discussions, outlined in the paragraph above, on the basis of evaluation factors published in the RFP and all information developed in the selection process to this point, the two (2) or more Offerors whose professional qualifications and proposed services are deemed most meritorious shall be ranked in order of preference.

3. Negotiations shall then be conducted, beginning with the Offeror ranked first. If a contract satisfactory and advantageous to the County can be negotiated at a price considered fair and reasonable, the award shall be made to that Offeror. Otherwise, negotiations with the Offeror ranked first shall be formally terminated and negotiations conducted with the Offeror ranked second, and so on until such a contract can be negotiated at a fair and reasonable price. Should the County determine in writing and in its sole discretion that only one Offeror is fully qualified, or that one Offeror is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that Offeror.

B. All proposals submitted in response to this RFP will be reviewed by the Purchasing Division or its designee for responsiveness prior to referral to a selection committee or person. A committee consisting of County personnel and/or others and/or an appropriate individual will then evaluate all responsive proposals, conduct the negotiations, and make recommendations to the County as appropriate. The award of a contract, if made, will be made to the Offeror whose proposal best furthers the interest of the County. The County reserves the right to reject any and all proposals, to waive any informality or irregularity in the proposals received, and to make the award to the Offeror whose proposal is deemed to be in the best interest of the County.

C. Oral Presentation: Offerors who submit a proposal in response to this RFP may be required to give an oral presentation of their proposal to the selection committee or person. This provides an opportunity for the Offeror to clarify or elaborate on the proposal. This is a fact finding and explanation session only and does not include negotiation. Oral presentations are strictly at the option of the County and may or may not be conducted.

D. The County reserves the right to make multiple awards as a result of this solicitation.

Otherwise, submission of a proposal by an Offeror will obligate such Offeror, if it is the successful Offeror, to enter into a contract containing the same or substantially similar terms and conditions as contained in such Sample

INSURANCE REQUIREMENTS SECTION

The Contractor shall comply with the insurance requirements set forth in the Contract, including the items set forth below:

- A. Neither the Contractor nor any subcontractor shall commence work under this Contract until the Contractor has obtained and provided proof of the required insurance coverages to the County, and such proof has been approved by the County. The Contractor confirms to the County that all subcontractors have provided Contractor with proof of such insurance, or will do so prior to commencing any work under this Contract.
- B. Contractor, including all subcontractors, shall, at its and/or their sole expense, obtain and maintain during the life of this Contract the insurance policies and/or coverages required by this section. The County and its officers, employees, agents, assigns, and volunteers shall be added as an additional insured, by endorsement, to the general liability and automobile coverages of any such policies and such insurance coverages shall be primary and noncontributory to any insurance and/or self-insurance such additional insureds may have. The Contractor shall immediately notify in writing the County of any changes, modifications, and/or termination of any insurance coverages and/or policies required by this Contract. The Contractor shall provide to the County with the signed Contract an Acord certificate of insurance which states in the description of operations section one of the two paragraphs below:
 - (1) The County and its officers, employees, agents, assigns, and volunteers are additional insureds by endorsement as coverage under this policy includes ISO endorsement CG 20 33 which provides that the insured status of such entities is automatic if required by a contract or a written agreement. (If additional insured status is automatic under a different coverage form, Contractor must attach a copy of the coverage form to its certificate. Any required insurance policies shall be effective prior to the beginning of any work or other performance by Contractor and any subcontractors under this Contract).

OR

(2) ISO endorsement CG 20 10 will be issued, prior to the beginning of any work or other performance by Contractor under this Contract, to the County and its officers, employees, agents, assigns, and volunteers naming them as an additional insured under the general liability coverage. (A copy of the binder confirming the issuance must be attached to the certificate. Any required insurance policies shall be effective prior to the beginning of any work or other performance by Contractor and any subcontractors under this Contract).

However, if B (1) or (2) cannot be provided, the County's Risk Manager, in such Manager's sole discretion, may approve such other certificate of insurance or insurance document(s) that the Risk Manager deems acceptable. The County of Roanoke shall also be named as the Certificate Holder.

C. **The following insurance coverages and limits are required in order to provide services or materials to Roanoke County general government agencies and the Roanoke County Public Schools. These limits may be adjusted depending on the type of service or materials being provided and the exposure to risk.**

The Successful Offeror shall carry Liability Insurance in the amount specified below, including contractual liability assumed by the Successful Offeror, and shall deliver a Certificate of Insurance from carriers acceptable to the owner specifying such limits. The Certificate shall show the County of Roanoke and Roanoke County Public Schools, their supervisory boards and members thereof, officers, agents, employees and volunteers as additional insureds, by endorsement, on the Commercial General Liability, Automobile Liability and Excess/Umbrella Liability coverage. The additional insured status shall be endorsed to the coverage with the provision that this coverage "is primary to all other coverage the County of Roanoke and/or Roanoke County Public Schools may possess." A Certificate of Insurance evidencing the additional insured status must be presented to the County of Roanoke and/or Roanoke County Public Schools along with a copy of the Endorsement prior to work or services beginning.

The coverage shall be provided by a carrier(s) rated "Excellent" by A.M. Best. In addition, the insurer shall agree to give the County 30 days' notice of its decision to cancel coverage.

D. Contractual Liability covers the following indemnity agreement: "The Successful Offeror agrees to indemnify, defend and hold harmless the County of Roanoke and Roanoke County Public Schools, their supervisory boards and members thereof, officers, agents, employees and volunteers from any claims, damages, suits, actions, liabilities and costs of any kind or nature, including attorneys' fees, arising from or caused by the provision of any services, the failure to provide any services or the use of any services or materials furnished (or made available) by the Successful Offeror, provided that such liability is not attributable to the County or School Division's sole negligence."

E. The continued maintenance of the insurance policies and coverages required by the Agreement is a continuing obligation, and the lapse and/or termination of any such policies or coverages without approved replacement policies and/or coverages being obtained shall be grounds for termination of the Consultant/Contractor for default.

F. Nothing contained in the insurance requirements is to be construed as limiting the liability of the Consultant/Contractor, and/or its subcontractors, or their insurance carriers. The County does not in any way represent that the coverages or the limits of insurance specified are sufficient or adequate to protect the Consultant/Contractor's interest or liabilities, but are merely minimums. The obligation of the Consultant/Contractor, and its subcontractors, to purchase insurance shall not in any way limit the obligations of the Consultant/Contractor in

the event that the County or any of those named above should suffer any injury or loss in excess of the amount actually recoverable through insurance.

- G. The classification code numbers appearing on the Commercial General Liability coverage parts shall not exclude the symbols "X-C-U".
- H. The intent of this insurance specification is to provide the coverage required and the limits expected for each type of coverage. With regard to the Business Automobile Liability and Commercial General Liability, the total amount of coverage can be accomplished through any combination of primary and excess/umbrella insurance. However, the total insurance protection provided for Commercial General Liability or for Business Automobile Liability, either individually or in combination with the Excess/Umbrella Liability, must total \$1,000,000 per occurrence. This insurance shall apply as primary insurance with respect to any other insurance or self-insurance programs afforded the County of Roanoke and Roanoke County Public Schools. This policy shall be endorsed to be primary with respect to the additional insured.

- I. The certificate holders on the Accord form Certificates of Insurance shall be:

Roanoke County

Attn: Purchasing Dept.
