

## 2016 Digital Counties Survey Winners

**July 21, 2016** – The Center for Digital Government (CDG) and the National Association of Counties (NACo) have announced the 2016 Digital Counties Survey winners. The survey, conducted by CDG in partnership with NACo, identifies the best technology practices among U.S. counties, including initiatives that save tax dollars through newfound efficiencies; boost transparency, cybersecurity and engagement; or innovate through unique and exciting projects.
