Addendum No. 1 To All Bidders/Offerors:

Reference: IFB # 2025-017

Description: Dry Fire Suppression Systems Testing, Inspections and Cleaning for
Roanoke County and Western Virginia Regional Jail

Issue Date: August 5, 2024

Proposal Due: **2:00 PM, September 18, 2024 (New date)**

The above Project is hereby changed as addressed below:

The due date for proposals for the above-referenced Invitation for Bid (IFB) has been
extended until 2:00 pm on Wednesday, September 18, 2024.

This extension is to allow time for potential bidders to request and attend *non*-mandatory pre-bid site visits of the service locations.

Please note:

For any site visit for this IFB, you **must** email me by close of business on Friday, August 23, at kmcaden@roanokecountyva.gov, to request visiting the location(s) that you are interested in. Please include the name(s) of the location(s) that you want to visit in your request. You may request to visit any or all of the locations.

The locations are:

Bent Mountain Community Center
Roanoke County Fleet Service Center
Roanoke County Public Safety Center
Roanoke County/Salem Jail
Western Virginia Regional Jail
Brugh Tavern at Explore Park

If you do not email me with your request for a site visit(s) by August 23, **you will not be permitted to attend a site visit at any of the locations.**

Once all requests are in, we will coordinate site visit dates and times with each location. Due to the number of locations and potential bidders, we will only schedule ONE site visit per location.

When the site visits have all been scheduled, we will post the schedule on the County's website. We are not able to contact you individually.

Site visits for this Invitation for Bid are *non*-mandatory and must be requested by the close of business on Friday, August 23, by emailing me at kmcaden@roanokecountyva.gov.

Thank you.
